Per IRB rules and HISA regulations, the Racing Office will not be allowed to accept entries for any horse that does not have current vaccinations and Coggins on file.

Pony Coggins and their EHV vaccination records must also be on file. Please turn these records into the Outrider or the Racing Office, once your pony is on the grounds.

All racing participants or "covered persons," must register with HISA before racing! Please visit HISAUS.Org to complete your registration.

Reminder: It is against HISA rules to breeze a horse within 7-days of an intra-articular injection. If you inject a horse on Saturday, you cannot breeze the horse until the following Saturday. HIWU's testing program includes the testing of selected horses after routine timed workouts/breezes (Post-Work). This testing is separate from Vets List testing. Trainers will be notified of selection for Post-Work testing within one hour of a horse's completion of the breeze. For more information about medications that can be used in relation to a routine breeze, visit the News tab on hiwu.org for the latest advisory.
